by BURTON JAMES

Introducing "Habitat," Burton James' latest collection of modular sofas, sectionals, and chairs.

Inspired by the needs of today's design professionals, Habitat provides the bench-crafted quality we have been known for since 1983 in a collection of sleek silhouettes versatile enough for a range of design styles.

Designed around a series of our most popular frames combined with deluxe standard features, Habitat lets you choose from fourteen performance fabrics and a series of leg and finish options. With a market-driven four-week lead time, Burton James delivers quality upholstery pieces you will return to time and time again.

After all, Habitat is more than furniture: it's the way you live.
