

BURTON JAMES

EVAN / MILO

A FAMILY OF FAVORITES

TWO IN ONE, DOUBLE THE FUN

Our **EVAN / MILO** program features two bestselling collections in one place for a seamless customization experience, complete with interchangeable bases and heights. Whether you opt for a low-profile look with a relaxed, modern feel or a taller version for an elevated silhouette, this program has everything you need to create the perfect fit for your project. You can also choose from our wood finishes, specialty finishes (sectional table only), and large selection of textiles to fulfill every design need to a T.

For questions, more information, or to request a custom quote, contact your sales representative or visit **BURTONJAMES.COM**.

☐ Iron

☐ Umber

☐ Black Walnut

Premium Wood Finishes UPCHARGE

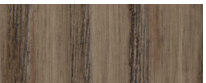

☐ Alabaster

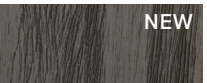

☐ Linen

☐ Sand

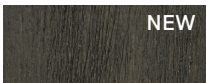

☐ Cavalier

☐ Pumice

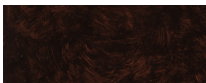

☐ Rustic Gray

☐ Graphite

☐ French Walnut

☐ Old Oak

STEP 4: CHOOSE YOUR SEAT FILL

SEAT FILL

☐ **Trillum (Standard Fill)**

HR foam core encased in a channeled, down-proof envelope that is filled with 100% synthetic fiber. A hypoallergenic alternative to natural down and feather, this cushion offers a soft, luxurious feel with great recovery and minimal maintenance.

☐ **Cloud 9 (Upcharge)**

High-resiliency (HR) foam wrapped in two layers of D91, a specialty hollow-core polyester fiber designed for softness and recovery. Encased in a down-proof cover, this is our most popular cushion fill, featuring a distinctive crown and a plush sitting experience.

☐ **Luxe Aire (Upcharge)**

Firmer HR foam wrapped in polyester fiber, which is then encased with a fabric cover. Luxe Aire offers a clean and tidy silhouette due to its firmer sit with minimal crown and is recommended for large bench seats if minimizing fabric wrinkles is desired.

☐ **Down Supreme (Upcharge)**

HR foam core encased in a channeled, down-proof envelope filled with 90% feather and 10% down. This option delivers both supportive comfort and an indulgent feel. Regular fluffing is recommended to maintain loft and minimize comfort wrinkles that naturally occur with feather and down fills.

☐ **Spring Down (Upcharge)**

A *Marshall (pocket coil) spring system, wrapped in foam and encased in a down-proof envelope filled with a blend of 90% feather and 10% down. Combines resilient internal support with the softness of feather and down for a refined sitting experience.

STEP 5: CHOOSE YOUR BACK FILL

BACK FILL

☐ **Trillum (Standard Fill)**

A hypoallergenic alternative featuring soft, blown synthetic fiber inside a channeled, down-proof cover. Mimics the plush comfort of feather and down with less maintenance.

☐ **Blend Down (Upcharge)**

A balanced blend of 50% polyester fiber, 45% feather, and 5% down, enclosed in a channeled, down-proof cover. This is our standard back cushion fill for most styles, offering inviting support and a comfortably weighted feel.

☐ **Regalaire (Upcharge)**

A firmer fill of 100% polyester fiber, enclosed in a non-channeled, down-proof cover. Provides supportive, structured comfort.

☐ **Down Supreme (Upcharge)**

A luxurious fill of 90% feather and 10% down, enclosed in a channeled, down-proof cover. Delivers plush, indulgent comfort with a natural loft.

STEP 6: CHOOSE YOUR FABRIC OR LEATHER

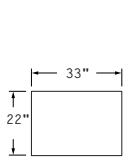

Any fabric from our Burton James collection, COM, or COL can be used. Refer to price list for pricing.
