### SEAT FILL

☐ Cloud 9 (Standard Fill)

High-resiliency (HR) foam wrapped in two layers of D91, a specialty hollow-core polyester fiber designed for softness and recovery. Encased in a down-proof cover, this is our most popular cushion fill, featuring a distinctive crown and a plush sitting experience.

☐ Luxe Aire (No Additional Charge)

Firmer HR foam wrapped in polyester fiber, which is then encased with a fabric cover. Luxe Aire offers a clean and tidy silhouette due to its firmer sit with minimal crown and is recommended for large bench seats if minimizing fabric wrinkles is desired.

☐ Down Supreme (Upcharge)

HR foam core encased in a channeled, down-proof envelope filled with 90% feather and 10% down. This option delivers both supportive comfort and an indulgent feel. Regular fluffing is recommended to maintain loft and minimize comfort wrinkles that naturally occur with feather and down fills.

☐ Spring Down (Upcharge)

A \*Marshall (pocket coil) spring system, wrapped in foam and encased in a down-proof envelope filled with a blend of 90% feather and 10% down. Combines resilient internal support with the softness of feather and down for a refined sitting experience.

☐ Trillum (Upcharge)

HR foam core encased in a channeled, down-proof envelope that is filled with 100% synthetic fiber. A hypoallergenic alternative to natural down and feather, this cushion offers a soft, luxurious feel with great recovery and minimal maintenance.

## STEP 5: CHOOSE YOUR BACK FILL

### BACK FILL

☐ Blend Down (Standard Fill)

A balanced blend of 50% polyester fiber, 45% feather, and 5% down, enclosed in a channeled, down-proof cover. This is our standard back cushion fill for most styles, offering inviting support and a comfortably weighted feel.

☐ Regalaire (No Additional Charge)

A firmer fill of 100% polyester fiber, enclosed in a non-channeled, down-proof cover. Provides supportive, structured comfort.

☐ Down Supreme (Upcharge)

A luxurious fill of 90% feather and 10% down, enclosed in a channeled, down-proof cover. Delivers plush, indulgent comfort with a natural loft.

☐ Trillum (Upcharge)

A hypoallergenic alternative featuring soft, blown synthetic fiber inside a channeled, down-proof cover. Mimics the plush comfort of feather and down with less maintenance.
